

February Parent/Caregiver Support Group

- **When:** Wednesday, February 15, 12:00 – 12:45pm via Zoom
- **What:** A monthly FREE, interactive, virtual, professionally-run group for parents and caregivers of children with autism.
- **Who:** This group is open to the community, including parents, grandparents, or caregivers of individuals who currently participate in Have Dreams' programs, have participated in the past, and/or for those who are not connected with our programs and services. Any caretaker of a neurodivergent individual is welcome to join! Parents/caregivers of newly diagnosed individuals are strongly encouraged to attend.
- **Why:** Join us to connect with others navigating a similar journey! Receive information, resources, and strategies on a variety of topics to empower you in your parenting or caregiving journey with your child with ASD.
