STAYING SAFE ONLINE

Presented by Michael and Judy Yublosky
WACI Tips, a Division of A-BnC Parties and More, Inc.

Join us for this small, interactive workshop where we will:

- Share some practical strategies, resources and good practices to enhance online security and privacy.
- Discuss some of today's threats you may face, such as data breaches, frauds and scams, cybersecurity threats, etc.
- Provide options to protect your data files from potential loss.

TUESDAY

 **JANUARY 28TH, 2025**
