Moraine Township offers REMOTE assistance to residents wishing to enroll for health insurance on the Federal Marketplace under the Affordable Care Act. Residents who need to obtain 2021 health insurance on the Federal Marketplace have only until December 15, 2020 to enroll.

Trained and Certified counselors are available to work remotely one-on-one with residents to help them understand their options and ensure that enrollees receive the premium subsidies and cost-sharing reductions they may be income-qualified to receive.

Residents who are currently enrolled in health insurance plans through the Marketplace can re-enroll in their existing plan for another year or select a new plan. A Counselor will help enrollees learn about changes that may have taken place in their existing plan, or review details and compare costs of alternative plans.
