

The Patricia A. Jones Center was just awarded grant dollars (for 2022-2023) from the Illinois Department on Aging. This funding will enable us to provide WEEKEND transportation to those 55+. To receive this service, you must reside within Waukegan Township boundaries and travel for social gatherings, via Uber or Lyft. For those interested in this program, be sure to adhere to the following steps:

- Register by calling the Patricia A. Jones Center hotline at 847-599-2936. A form will be mailed to you, along with a user guide to assist in using the ridesharing service. When registering, please provide a copy of a current valid ID. If you are a member of the Waukegan Township Transit Card Program, an ID will not be required.
- Once registered, users will call the Transportation Coordinator by Thursday prior to requesting weekend service. Users may request rides to and from any location within a 10-mile radius of their home address.
- The Patricia A. Jones Center will arrange weekend services using Lyft for Business or Uber for Business.
- The rideshare service will contact you to confirm transportation locations and times for everyone.
- The Patricia A. Jones Center will call each the following week between Monday and Wednesday to ensure that transportation provided was precise and on time.
