

It's About Living: Planning For Your Healthcare Future

Join experts from Transitions Hospice & Palliative Care and Dutton, Casey & Mesoloras Elder Law for an informative lunch-hour CE to help understand Palliative Care and the legal documents you need in place to make your healthcare wishes known. Objectives include:

1. Understanding Palliative Care and inherent goals.
2. Understand when to obtain Palliative Care services.
3. Understand different types of documents needed for healthcare decision planning.
4. Understand different types of documents needed for financial planning.
