

TABLE TALK SERIES[®]: GETTING TO THE HEART OF THE MATTER WITH LONG-TERM CARE INSURANCE PLANNING

Presented by Carol Brandt, Founder of Brandt Financial Concepts, Inc.

Long-Term Care (LTC) planning is often overlooked, leaving many unprepared for the costs of aging and care.

Founder of Brandt Financial Concepts, Inc. and Certified Long-Term Care Professional Carol Brandt, CLTC[®] brings 41 years of expertise to this lively, informative webinar. She will simplify the basics of LTC planning, covering plan types, costs, and strategies for protecting your lifestyle and assets.

Show yourselves and your families some Valentine's Day LOVE during this special month and join this informative webinar!
NOTE - this talk will not address Medicaid but will include plans for those not in the best of health and ideas for high net worth families
