**Last Day to Pay Property Taxes**

**When is the last day to pay?**

For those who have hit a patch of uncertainty and haven’t paid their property taxes yet, we understand the most important question is, “when is the last day to pay”? To some, that means the last day to pay online. To others it means before it’s published in the newspaper (pursuant to 35 ILCS 200/2-115 Property Tax Code). It could also mean the last possible date to pay before the taxes are sold. *We have all of those dates and more listed here on our website for your convenience.*
