About NIRCO:

The Northern Illinois Recovery Community Organization (NIRCO) is a peer-run and peer-led organization dedicated to supporting individuals in recovery from substance use disorders (SUD), opioid use disorder (OUD), and polysubstance use disorder (PUD). Since our establishment in 2019, we have served the underserved communities of Waukegan, Zion, and North Chicago, providing evidence-based peer support services, harm reduction education, and recovery-focused events. Our mission is to combat stigma and offer hope to individuals rebuilding their lives after years of hardship due to addiction and related issues.
