

NIRCO IS **HIRING!**

Join Our Mission to Empower Wellness and Recovery in Your Community

Are you a person with lived experience that has been impacted by substance use, mental health challenges, or the justice system in any way (directly or indirectly)?

Do you consider yourself a passionate supporter or advocate for wellness and stigma reduction?

Are you eager to learn more about peer support and help others on their recovery journey?

If so, this opportunity could be a perfect fit for you!

Northern Illinois Recovery Community Organization (NIRCO) is seeking dedicated individuals to join our team and support peer-led outreach, education, and recovery services.

Open Position

Part-time Peer Support

Duties include but not limited to:

- Administrative tasks
- Advocate for individuals in recovery and help them navigate systems.
- Mentor by sharing lived experiences and supporting goal setting.
- Build skills in coping, communication, and problem-solving.
- Share resources like treatment options, housing, and employment.
- Foster community through peer-led groups and social support.
- Educate others to reduce stigma and promote recovery awareness.
- Respect diversity by offering culturally responsive support.
