

Are You Prepared For An Emergency?

For your benefit, Fremont CERT is providing free 90-minute sessions to learn about disasters that are likely to happen within Lake County and the impact they can create. The potential effect that disasters can have on transportation, electrical service, telephone communication, availability of resources, (such as food, water, shelter, and fuel,) and emergency services will also be discussed.

Everyone in the community has a role in disaster preparedness and response. **Find out how you can prepare in advance to improve the quality of your survival and reduce the damage from hazards.** They will also talk about what you can do until help arrives and how to recognize and treat life-threatening conditions.

Wednesday, August 7th 2019 at 7:00pm at the Grayslake Fire Protection District (Station 1 - Headquarters, 160 Hawley Street, Grayslake)
