

Chicago Area Health and Medical Careers Program™(CAHMCP)

Since its inception in 1979, the **CPASS Foundation's Chicago Area Health and Medical Careers Program™ (CAHMCP)**, has been dedicated to increasing the number of qualified applicants and matriculants from Chicago—particularly those from underrepresented backgrounds—who enter and successfully graduate from medical and other health professional schools.

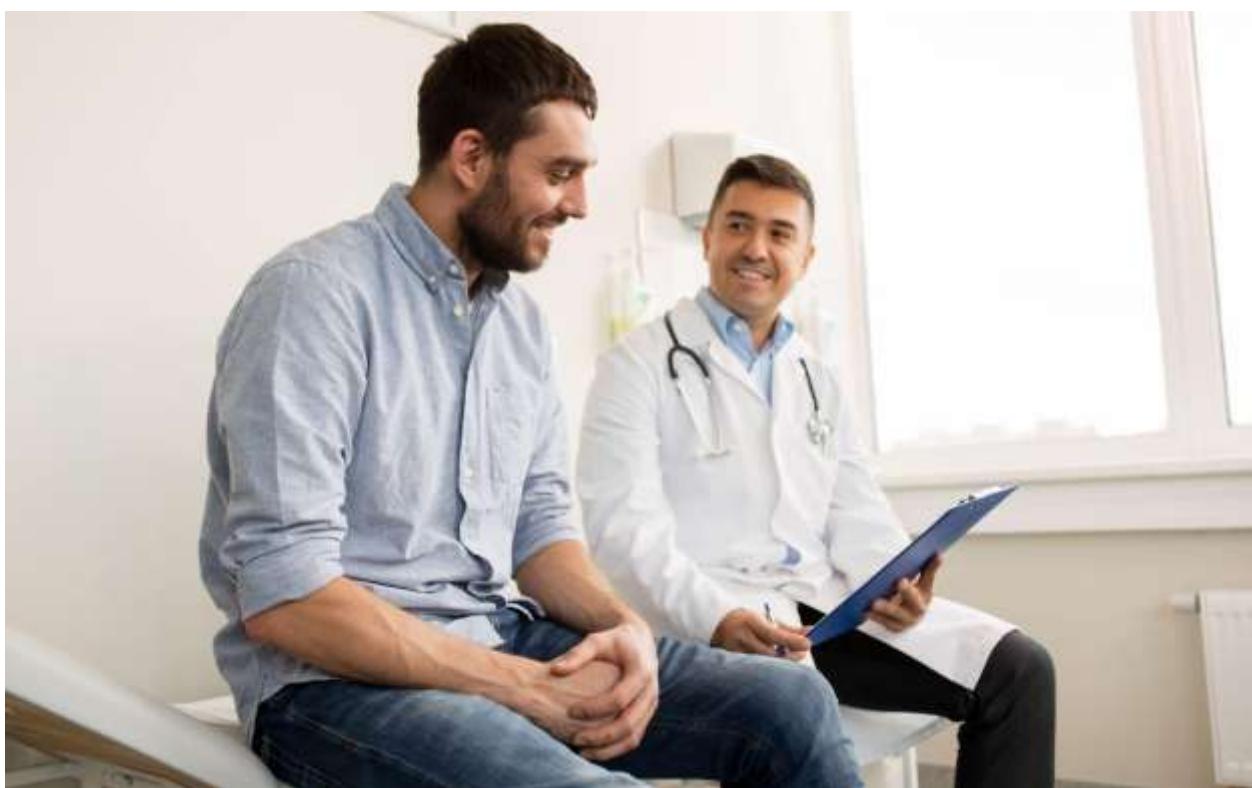

Today, the **Chicago Area Health and Medical Careers Program™** provides Illinois students with comprehensive, holistic support to pursue careers in medicine and health, preparing them to serve underrepresented and under resourced communities and improve health outcomes for all.

The CAHMCP Program consists of the following components to provide our Illinois URiM students the support they need to pursue and persist in a medical or health profession.

1. [2025-26 CAHMCP MCAT Resource Access Program](#)
2. [2025-26 CAHMCP Test Prep Access](#)
3. [2025-26 CAHMCP STEP Access](#)
4. [2025-26 CAHMCP STEP Pathway \(registration fee reimbursement\)](#)
5. [2025-26 CAHMCP Part 1 RIR](#)

**For more information about any of these programs, email us:** [cahmcp@cpassfoundation.org](mailto:cahmcp@cpassfoundation.org)

## 2025-26 CAHMCP Part 1 RIR

We are excited to announce the launch of 2025-26 application for the CAHMCP Residency Interviewing Resources!

### **Requirements**

#### APPLICATION PART 1.

- Senior medical students in good standing who attend any accredited Illinois medical school are eligible to apply for reimbursement of Electronic Residency Application Service (ERAS®) fees and residency interviewing expenses if they meet the following eligibility criteria:
  - Must be an Underrepresented in Medicine (URiM) student as defined by the Association of American Medical Colleges (AAMC) that attends an accredited Illinois medical school.  
Currently attending an accredited Illinois medical school.
  - Applicant must have completed minimally but not limited to 8 hours of volunteer service between July 1, 2025 – June 30, 2026.
  - Service must be with an organization that provides STEMM pathway programs, health, or medical organizations. Please note priority will be given

to those who have volunteered with any recognized CPASS Mini-Medical School (MMS) or other CPASS-funded programs (STEMM Scholars Academy, Parent Academy, Rosalind Franklin University INSPIRE Program, etc) for volunteer opportunities with CPASS contact [info@cpassfoundation.org](mailto:info@cpassfoundation.org).

- The organization you volunteer with will be required to complete a short online recommendation survey on the applicant's work ethic and commitment during the volunteer service period and confirm the total number of completed volunteer hours.  
Residency interview (if requesting travel funds) is minimally 75 miles away from the place where the URiM student resides during the academic year. This address must be verified by the Illinois medical school in writing. The Illinois medical school where the URiM attends, must provide a minimum 10% match of the total approved reimbursement. This must be in writing and will be submitted with
- Part 2 of the application.
  - The letter must be on official medical school letterhead. The letter must be addressed to the URiM student and include the residential address where the student resides during the academic year.
  - It must be signed by the Dean of the Medical School or their official designee.
  - Matching funds must be remitted to the URiM student within 30 business days of CPASS approving the funds.
  - These matching funds for the URiM student must have no conditions of repayment.
  - The letter must confirm that the URiM student is in good standing with the medical school.
  - Applicant must be a US citizen and/or have a US driver's license.

**Please note this is a two-part application process, if invited to continue you will receive another application link to collect additional information and to submit a recommender's name.**

**Applications are reviewed quarterly and could take up to 6 months from the date of submission to be awarded.**

\*Eligibility criteria and terms & conditions are subject to change at any time. All completed reimbursement requests are reviewed on a first-come, first-serve basis. CPASS does not

guarantee each reimbursement request will be fully funded. Submitting an application does not ensure funding.
