

KNOW YOUR RIGHTS!

With recent rhetoric around increased immigration enforcement, anxiety and stress are high in our community. In these uncertain times, our recommendation to all community members is to: **Know Your Rights!**

In partnership with community organizations across the county, **Mano a Mano's** legal team is providing "Know Your Rights" informational sessions, so that immigrants and their family members are aware of their rights when interacting with federal immigration enforcement. Upcoming sessions include:

College of Lake County

Grayslake- August 21st at 6:00pm

Waukegan- August 22nd at 6:00pm

Round Lake Area Public Library

August 26th at 6:00pm

Waukegan Public Library

If you are interested in inviting Mano a Mano to your organization to hold a training, please contact [Cynthia Vargas](#), Program Manager.
