How the Community Closet Works

Clothing for Every Occasion

From professional attire for job interviews to casual wear for everyday use, we provide a wide range of sizes and styles to suit all needs.

Household Essentials

Access items such as bedding, kitchenware, and toiletries to help create a stable and welcoming home environment for you and your family.

Seasonal Items

Stay prepared with coats, gloves, and other essentials during colder months, ensuring comfort throughout the year.

The Community Closet is open Thursday and Friday from 11am - 2pm. If you or someone you know could benefit from our resources, please contact us to schedule a visit.

Making a Difference in Real Lives

Every item donated represents a new beginning for someone working to rebuild their life. For many justice-impacted individuals, having access to professional clothing means the difference between confidently attending a job interview or missing an opportunity due to lack of appropriate attire.

The Community Closet provides more than just material goods—it offers hope, dignity, and a sense of community support during a critical transition period. When people feel properly equipped to face daily challenges, they're more likely to succeed in their reentry journey.
