

INTERNATIONAL OVERDOSE AWARENESS DAY 2025

# ONE BIG FAMILY

DRIVEN BY HOPE

Say their names. Share their stories. Stop the silence. End the Stigma.

## Community Collaboration: United for Healing

Together, we are stronger. This Overdose Awareness Month, we're not just remembering—we're rebuilding. Every life lost is more than a statistic—it's someone's child, parent, sibling, friend. We come together not just in remembrance, but in action. This community collaboration means showing up for one another, sharing resources, and creating spaces where healing is possible.
