5-Workshop Series

Foundational Skills Workshop

A workshop aimed at guiding individuals toward securing meaningful employment by fostering empowerment, providing tools, and emphasizing strategies to navigate barriers.

Career Awareness Workshop

A workshop aimed at guiding and providing insights into various available career opportunities, helping explore diverse vocational paths, and empowering to make informed choices.

Employability Workshop

A workshop focused on guiding individuals through the job search process, equipping them with effective strategies to navigate interviews and secure employment.

Essential Workplace Workshop

A workshop aimed to empower individuals to maintain long-term employment by offering strategies for stability and fostering growth opportunities.

Goals and Actions Workshop

A workshop designed to assist individuals in creating personalized plans by setting achievable goals and actionable steps. **Bonus:** Resume Lab

Participants who attend and complete all five workshops will receive a certificate endorsed by the Job Center of Lake County and Lake County Workforce Development.
